

Franklin Midwest Meet

Holiday Inn Express – Winchester, Kentucky

Hosts: Bill Fields / Greg Burnett

Arrival – Sunday, May 10th / Depart Saturday, May 16th, 2026

This will be a tour with quite a bit of driving each day. I have chosen the more rural roads that I can utilize for all the areas we are traveling. These roads in many instances are narrow, occasionally run into one lane or narrow bridge situations, having hills and curves. If you are not comfortable with these driving conditions, please drive modern.

We will be traversing into different, somewhat distinct regions of the state over the five days. Central Kentucky with the rolling farms and more flat land, to the Southeastern Region with hills and hollers. We have tried to pick things that reflect the regions they are located.

Several of the venues will require each attendee to go online and sign waivers before being allowed to participate. Please give accurate email and cell phone information so I can share the links with you prior to your arrival.

Toyota Assembly Plant Tour and Claiborne Farms both require the online wavier be submitted in advance. I must have all registrants submitted to the venues before you can go online, so ensure your data to me is correct.

Toyota also requires Photo ID that matches what you input online when you show up onsite for the tour. No cameras or cell phones are allowed on the Toyota tour. A locker is provided for participants to lock up phones and cameras.

Due to the size of our group, many of the venues will require we break into two groups to be accommodated. Please be patient and understanding to these requirements as they are out of my control and probably won't go like clockwork.

There will be a list provided of alternate venues you can choose to visit on your own if you feel so inclined. Not every venue fits everyone's desires or interest.

Hey, I had to cut potential participants, so if you're not having fun when you're here remember this, you've blocked someone else in the Club from being able to participate. Now, grin and bear it and volunteer to host the next event so YOU can have all the fun of planning.

Things will not always go as planned, weather will not always cooperate, and someone will think a venue is a waste of time. Welcome to hosting a tour...

We look forward to seeing each of you.
